Sir:

RE-SUBMISSION OF AMENDMENT UNDER 37 C.F.R. § 1.312

Attached is a copy of an Amendment which was faxed with a Certificate of Facsimile Transmission to the Patent and Trademark office on March 19, 2004. Also attached is a copy of the communication result report and the Auto-Reply Facsimile Transmission from the U.S. Patent and Trademark Office, both of which indicate that the fax was received by the U.S. Patent and Trademark Office on that date.

In a telephone conference with Examiner Jones on or about January 14, 2005, it was determined that the Amendment is not in the Patent and Trademark Office file. It is therefore requested that this Response be entered in the above-referenced application. It was further determined in the telephone conference with Examiner Jones that she would submit an Examiner's Amendment; therefore there is no need for any action regarding this Amendment. Applicants' provide this Amendment so that the Patent and Trademark Office has the complete prosecution history of this application.

Applicant does not believe that any fees are due in connection with this submission as the Amendment was timely submitted and inadvertently misplaced by the U.S. Patent and Trademark Office after receipt. However, if such petition is due or any fees are necessary, the Commissioner is authorized to charge any necessary fees or credit any overpayment to Deposit account 23-3000.

Respectfully submitted,
